

# SHEHROZ AKHTER

ELECTRICAL  
ENGINEERING STUDENT  
UET LAHORE

## ABOUT ME

Motivated first-year Electrical Engineering student at UET Lahore with a strong interest in electronics, circuit design, and ML/AI-driven intelligent systems. Eager to apply theoretical knowledge to real-world tech solutions

## EDUCATION

### • *B.Sc. Electrical Engineering 2024-2028*

Pursuing B.Sc. Electrical Engineering at UET Lahore with a growing interest in ML/AI, intelligent systems, automation, and embedded technologies. Passionate about solving real-world problems and contributing to research through continuous learning.

### • *(HSSC) – Pre-Engineering 2021-2023*

Government Post Graduate College Kot Sultan, Layyah  
Board of Intermediate and Secondary Education Dera Ghazi Khan  
Marks: 947 / 1100 (Grade: A / 86.1%)

Studied core subjects including Mathematics, Physics, and Chemistry.

### • *(SSC) – Science Group 2019-2021*

Superior Science Public High School, Layyah  
Board of Intermediate and Secondary Education Dera Ghazi Khan

Marks: 1075 / 1100 (Grade: A+ / 97.7%)

Demonstrated strong academic performance with emphasis on science and mathematics.

## HOBBIES

- Gardening
- Farming
- Audiobooks
- Historical series
- Tech videos

## PROJECTS

- heartbeat detection circuit
- Motion detector
- Student Management System (SMS)

## CONTACT

### Phone

+923015557172

### Email

shehrozakhter7272@gmail.com

### Address

New Campus Uet Lahore

## TECHNICAL SKILLS:

- Circuit Problems
- Python
- C language
- Multisim
- Proteus
- Winspice

## LANGUAGE

English – Fluent

75%

Urdu – Native

100%

Punjabi – Native

100%

## SOFT SKILLS

- Leadership
- Time Management
- Communication
- Problem-Solving
